CRISIS RESPONSE POLICY

NEPN/NSBA: EBCA

Crisis Response

The School Board hereby adopts the Medway Crisis Response Plan. The Superintendent and building administrators shall be responsible for ensuring that the plan is implemented in each school and evaluated on an annual basis. It is understood that specific procedures may vary from school to school due to differences in school facilities and the ages of students.

As required by law, the Board will approve the plan annually. Any substantive changes in the plan shall be subject to the approval of the Board.
