

## **MEDWAY SCHOOL BOARD POLICY**

### **“POLICY FOR STUDENTS WITH BEE-STING KITS”**

#### **NEPN/NSBA CODE:**

1. Appropriate school personnel will be made aware of the student's condition (in-service for staff by school nurse--those attending please sign attendance sheet).
2. Medication as provided by the parent will be kept in a pre-determined place at that school, and all personnel involved with the child will know its location.
3. A clear emergency procedure will be outlined on the child's health record. All teachers will be informed of the procedure.
4. At least two staff members at that school will be instructed in the administration of said medication.
5. "Permission to administer medication at school" form to be signed by both parent and physician.
6. The student will be required to wear a medic-alert emblem indicating his/her condition. This is the responsibility of the parent.
7. EpiPen or EpiPen, Jr., Bee-Sting Kit recommended for school use, as this can be self-administered, or easily instructed. School nurse to discuss this with physician if another type of kit has been prescribed.
